

TTB3045NX

Walk-Behind Scrubber Dryer

REWRITING

FLEXIBLE

CLEANING

- » Up to 70mins runtime + 1 hour fast charge
- » NX300 high-power lithium battery pack
- » Part of the interchangeable battery network

Part of the NX300
Pro Cordless Network

Numatic

The TTB3045NX Provides Flexible, Cordless and Convenient Cleaning to all Hard Floors.

Outdated battery technology often leads to restrictive cleaning. The 3045NX is part of the NX300 Pro Cordless Network, with 1-hour fast charge and up to 70 minutes runtime, providing consistent cleaning performance.

Features

Compact Machine, Big Results

Most compact in its class, the 3045NX has a 450mm scrub width, ensuring a compact design for maximum accessibility, with a working area 1215m²/HR.

Extended Long-Life Power

Outdated battery technology can lead to batteries becoming damaged if incorrectly used and charged. Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

Constant Cleaning with Battery Hot-Swapping

Being part of the NX300 Pro Cordless Network provides the opportunity of continuous cleaning through Hot-Swapping batteries between other machines in the NX300 Network.

1-Hour Fast Charge

Unlock cleaning potential by utilising the NX300 Battery Technology's 1-Hour Fast Charge. Providing on demand cleaning for any user. Clean and charge when you need to, increasing productivity and flexibility.

One Fits All Productivity

The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing battery range.

Support at your Fingertips, Straight from your Mobile

Access a wide-range of multilingual help and support, including troubleshooting and maintenance videos, through the Nu-Assist App.
